 Starting at 9am buses will be avail at Woogaroo St carpark opposite Forest Lake State School and also at Forest Lake State High School on High St to take you to Grand Ave.  
 These 2 buses will be doing the rounds all day to make travel & parking a lot easier for you and the family. 9-4pm.  
 Buses accommodate 23 people with seatbelts. Unfortunately, there isn't enough room to fit large prams, small prams can be folded and brought on where possible. Bus zones will be clearly signed on the day with only 5-10min waits.
